SUMMARY

Creative Project Manager experienced in leading multidisciplinary teams and delivering digital and interactive projects. Skilled in building project schedules, coordinating cross-functional dependencies, managing scope and risks, and keeping stakeholders aligned through clear communication. PSM I certified with hands-on Agile delivery experience and a collaborative, team-centered approach to creative production.

AREA OF EXPERTISE

- Cross-Functional Leadership
- Stakeholder Communication
- Agile / Scrum / Kanban
- Production Planning
- Scope Management
- Risk & Blocker Management
- Milestone Management
- Resource Coordination
- Sprint & Backlog Planning

EXPERIENCE

Co-Founder & Project Manager

Apr 2026 - Present

VGS Studio - CDM Venture Game Project

Vancouver, BC

- Coordinate cross-discipline dependencies, identify risks and blockers, and adjust scope and resources to protect schedule and quality.
- Translate project goals into sprint plans, milestones, task ownership, and delivery priorities using team estimates.
- Manage stakeholder updates, production documentation, playtest findings, budget planning, and the commercial release roadmap.

Project Manager

Jan 2026 - Apr 2026

Coal Car Studio Ltd - CDM Client Game Project

Vancouver, BC

- Coordinated the team across design, art, engineering, and QA to deliver a multiplayer VR prototype on schedule.
- Built and maintained sprint schedules, backlog priorities, and task assignments from project goals.
- Managed client communication, tracked dependencies and risks, and translated stakeholder feedback into actionable work.

Digital Marketing Specialist

Apr 2023 - Dec 2023

Hinbor

Vancouver, BC

- Tracked content performance and platform operations, increasing the audience by 1,300 followers.
- Created marketing materials and proposals that contributed to acquiring 500+ app users.
- Coordinated partners for events and outreach, increasing brand visibility and engagement.

EDUCATION

Master of Digital Media

Sep 2025 - Present

Centre for Digital Media (CDM)

Vancouver, BC

Joint graduate program offered by UBC, SFU, BCIT, and Emily Carr University

- Project-based graduate program focused on delivering real-world projects with external partners.
- Lead multidisciplinary teams and agile workflows as a game producer across client and venture projects.

Bachelor of Media Studies

Sep 2021 - May 2025

University of British Columbia

Vancouver, BC

- Graduated with High Distinction, with a strong foundation in game design, UX, film, and digital storytelling.
- Completed practical and research-based projects in interactive media and creative production.
